Revival BOATS

The R580 is the Swiss Army Knife of our fleet, capable of adapting to the adventurous boating family's ever-changing needs.

Its ample cabin with walk-through deck and screen provides runabout versatility while offering reassuring protection for your precious crew. The generous rear cockpit is a fisho's blank canvas with loads of angling and storage options.

Your boat should be a reflection of your needs and aspirations, that's why ours are 'influenced' by the only 'influencers' whose opinion really matters: our customers. Whatever your on-water persuasion, whether it's towing or being towed, fishing or exploring Australia's endless coastline with the ones most precious to you, Revival has a boat for that.

Length	Beam	Max Power	Tow Weight	People	Fuel
5.80m	2.37m	175hp	1650kg	7	130lt

Revival Boats was founded upon a desire to create **versatile hulls** that responded to the needs of **Aussie boating families**.

All **Revival hulls** are **meticulously handcrafted** by a talented team overseen by one of **Australia's most respected boat builders**.

Every **Revival** presents **outstanding value** without sacrificing on quality or service and is backed by a **10 Year structural warranty**.

You want to do it all and need a boat that can keep up with your ever-changing boating lifestyle.

Revival's R580 SportZ hits the water with all the essentials and many so called 'extras' that other boat brands force you to pay for: bowrails, bilge pumps, internal lighting, under-floor fuel tanks, dry and wet storage and loads more.

Simply strap on the outboard of your choice and get it wet.

Revival's R580 OffShore spices up the SportZ's already impressive inventory with **fishing-focused inclusions** to help you **snare to snare the catch of the day**: upgraded flip-bolster seats, tackle storage, bimini and clears, alloy or stainless rocket launchers, recessed rod storage, and more. Fish don't tell time or care about the weather, so shouldn't your new boat be just as mission-ready?

Revival's R580 WeekEnd is influenced by **luxury caravans and campers** offering **versatile and easily-adaptable features to enhance your time afloat**.

Boasting snug fitting covers and clears for overnight protection, these can easily be removed and stowed to create a comfortable open-air alfresco with wrap-around waterfront views. As expected, plush upholstery convertible interior storage and cockpit lighting come standard. Larger models up the ante with plumbed freshwater showers and even a handy sink.
